REQUEST FOR CERTIFICATE OF CORRECTION UNDER 37 CFR § 1.322

Patentees recently received a copy of the above-issued patent and discovered that there was an error on the title page in Section (86). A request for a Certificate of Correction is hereby submitted pursuant to 37 CFR § 1.322.

The error originated from the Notice of Acceptance, dated April 10, 2002 which listed the 371 date as December 20, 2000 (a copy is enclosed herewith). A Letter to correct both the Filing Receipt and the Notice was sent to the Patent and Trademark Office (PTO) on May 17, 2002 with enclosures to verify this 371 date. This letter must have corrected the filing date because upon review of the files, it was noted that all the (PTO) papers after that date listed the 371 filing date correctly as: **December 20, 2001 not December 20, 2000.** However, Applicant never received a corrected filing receipt.

MAY 23 2005

Enclosed is a printout copy of the Patent Application Information taken from the PAIR system, which lists the 371 date as December 20, 2001.

Attached in duplicate is Form PTO-1050, with at least one copy being suitable for printing.

As will be noted in the application as filed, this error is not ascribable to the patentees so it is submitted that no fee is due. However, should it be determined that a fee is necessary, Applicants hereby give the Commissioner authorization to debit patentees Deposit Account 03-1935.

Respectfully submitted,
